Sherando Indoor Percussion Presents

▶ The Fate of the Kings

- ▶ In a Game of Thrones Inspired show about the greed of power, “The Fate of the Kings” is a very dramatic and power packed show.
- ▶ This show is going to be a very demanding show. Not just mentally but also physically.
- ▶ My staff and I will ask a lot of the members with this show. But we will return that by educating them and pushing them outside of their comfort zones.
